Benicia Middle School Viking Music Boosters, Inc. is a non-profit corporation:
Tax ID 68-0457330

Dear Community Member,

The Benicia Middle School Viking Band is an award-winning program that has positively impacted thousands of students through music education, performance, and competition. This group has established a reputation for high quality musicianship with an emphasis on educational excellence. This program gives students a support system that can help them learn the skills needed to overcome challenges and become leaders as they grow into young adults.

This year, we are fundraising to provide instruments, uniforms, and equipment needed to continue a thriving band program, including marching band, color guard, drumline, and concert band. We appreciate any donation to the band program. Nothing is too small. We also have prepared sponsorship packages that will serve to promote your business or organization:

- **\$500 Sponsorship** - Your business or organization will be recognized and printed in every BMS Viking Band concert program for the 2023-24 school year.
- **\$1,000 Sponsorship** - In addition to program recognition, your business or organization will be featured on the BMS Viking Band Trailer in the form of a magnet image and we will recognize your business through a direct 'thank you' email to all band families in the fall, winter, and spring.
- **\$2,500 Sponsorship** - Above items and your business or organization will be included in a public announcement at all Benicia concerts and recognized through the BMS Viking Band's social media channels.
- **\$5,000 Sponsorship** - Above items and your business or organization will receive VIP seating and free dinner for 6 at our Concert Dinner events (November 2023 and March 2024) and be included on signage at the Jazz Festival in May 2024.
- **\$7,500 Sponsorship** - Above items and you will receive a private concert for your employees/organization/group at your office or mutually agreeable location and 2 full-page advertisements in the Benicia Herald to thank and showcase our sponsors.
- **\$10,000 Sponsorship or More** - In addition to items noted above, you will receive a catered lunch or dinner for 12 people from a local restaurant to accompany the private concert, and prominent signage at the Jazz Festival in May 2024.

Thank you for considering donating to the Benicia Middle School Viking Band. Should you wish to donate, please speak with a board member or email board@beniciabands.org and we will follow up with you. We are excited to partner with you and include your organization as a sponsor.

Sincerely,

Paul Hanna
BMS Band Director

Jennifer Smith
Viking Band Booster President
